PPP – PEOPLE, PLANET PROFIT = SUSTAINABLE INCLUSIVE BUSINESS

A graphic with a black background. A red curved line starts at the top left and curves down towards the right. In the center, a white diamond shape contains the text "SUPPORTING ORGANIC AGRICULTURE AS A ' FUTURE PROOF BUSINESS'!". In the bottom right corner, there is a smaller white diamond containing the logo for "KRCRC Kenya Com-Rabbit Consortium Ltd". The logo features the letters "KRCRC" in a stylized font with red and green accents, and the full name "Kenya Com-Rabbit Consortium Ltd" in smaller text below it.

PRODUCT CATALOGUE

RUE FOLIAR STOPGEL

This is a non-chemical foliar fertilizer that also works as a biopesticide at the same time; Mode of action is through mechanical suffocation of both egg & larvae stages of all pests

RUESIL FRUIT & FLOWER FOLIAR

This is 100% organic liquid foliar fertilizer enriched with potassium silicate to enhance flower and fruit quality and size

EMFORTE Soil Drench

This is an organic soil biostimulant that also acts as a foliar fertilizer; It is a liquid fertilizer fortified with effective microbial compounds that help the soil to rejuvenate itself

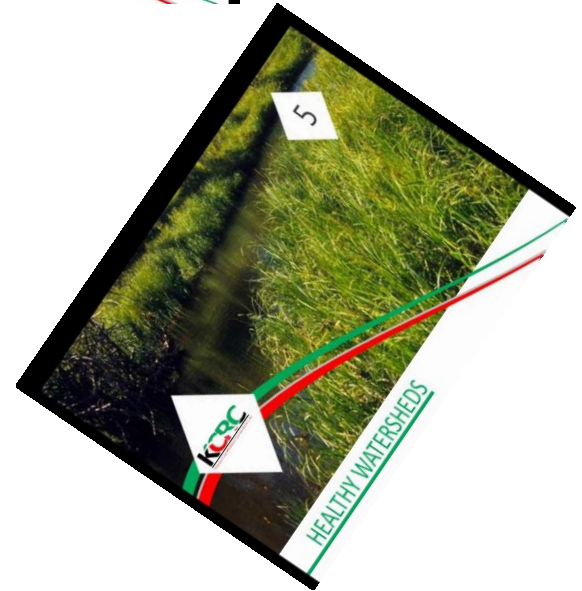

PROMOTING SAFER AND SUSTAINABLE ALTERNATIVES TO HAZARDOUS CHEMICAL PESTICIDES

SUSTAINABLE INCLUSIVE AGRICULTURE

Our process is easy

Rabbit urine collected from farmers is our primary raw material

The rabbit urine is converted into 3 brands of organic fertilizers

The raw rabbit urine is delivered and received at our cottage industries

Thanks!
